SUMMER CLASSES

The offerings for summer 2021 are listed below. We will be offering a KAL of the Simple Swoncho and Beginning Macrame.

Simple Swoncho KAL designed by Karida Collins **\$25**

Offered by Nautical Yarn Tuesdays, July 27, Aug 3, & 10 via Zoom, 6-7:30 PM
(Register for class at nauticalyarn.com)

We love a loose, boxy sweater, and this one is so loose and boxy it's almost a poncho. Knit from the top down, it's so simple in its construction that you're nearly done with it before you realize you're actually knitting a sweater. Pattern available on Ravelry or in MDK Field Guide # 18

This swoncho is worked in the round from the top down to the armholes, then the sleeves and body are divided and worked separately in the round to the bottom edge.

SKILLS: Everyone should know how to cast on, knit, and purl. Additional skills required include yo, M1L and M1R and cable stitches (we can teach all these techniques during class).

SUPPLIES: The Simple Swoncho takes 1200 - 1800 yds of worsted weight yarn. A kit is available (but not required) utilizing Michigan's own Shepherd's Wool. Cost of the kit is between \$72 - \$108 depending on garment size. Also, size 6 and 7 or 8 needles are required, but we suggest you bring sizes 7 through 9 circular needles in 32" to 40" length and size 6 in 16" length.

Beginning Macrame—offered by Nautical Yarn **\$15**

Offered by Nautical Yarn, Tuesdays, August 17 and August 24 via Zoom, 6-7:30 PM
Supply list and more information TBA.
