B & B KNITTING WEEKEND

This fall, we have again joined with the Ludington Area Bed & Breakfast Association to host a **KNITTER'S WEEKEND, SOCK KNITTING WORKSHOP**, November 1-3, 2024. During this weekend you will learn many techniques, including: top-down socks and toe-up socks. We will talk about how to knit in the round using short circulars, double-point needles, two circular needles, and Magic Loop, and how to knit Two-At-A-Time socks using two circular needles. You will not have time to finish a pair of socks during the weekend, but you will know just about every technique sock knitters use and discover which techniques work best for you.

FRIDAY EVENING we will have supper and begin the instruction focusing on Toe-Up socks.

On **SATURDAY MORNING**, after a delicious B & B breakfast, we will begin Two-At-A-Time socks! **SATURDAY AFTERNOON**, you will learn how to turn the heel using Cat Bordhi's Sweet Tomato Heel.

On **SUNDAY MORNING**, you will learn tips and techniques to make sock knitting easier and faster. Also, on Sunday, you may shop using your VIP discount and wrap up the event.

During the weekend, participants stay at one of the area B & B inns and take classes at Nautical Yarn Friday—Sunday, November 1-3, 2024. Participants receive a swag bag filled with great knitting supplies. They also receive a VIP discount of 10% valid during the entire weekend. Join us and make new knitting friends.
