## UPCOMING EVENTS

- **Sunday, February 9th** (Super Bowl Sunday)
  - We will hold our annual **Super Bowl Sunday Gumball Sale** on February 9, 2025. The color of the gumball you select determines your discount (anywhere from 15% to 100%). Store hours on Super Bowl Sunday will be noon—4 PM.
  - **Sunday Supper Club**  
We will host our **Sunday Supper Club** during Super Bowl Sunday beginning at 1:00 PM. Bring a dish to pass. Nautical Yarn will provide table settings and beverages. We have not had our supper club since COVID and we're excited to get together with you again. In addition to great food and fun with friends, we will have door prizes for lucky winners. You will be home in plenty of time for the game! Go LIONS!
- **Sunday, March 9th**
  - **Sunday Supper Club**  
We will host our second **Sunday Supper Club** on Sunday, March 9 beginning at 1:00 PM. Bring a dish to pass. Nautical Yarn will provide table settings and beverages. The store will be open from noon until 4.
- **Winter Store Schedule**  
Some other schedule changes for winter 2025. Nautical Yarn will be closed on Mondays, Tuesdays, and Wednesdays for a couple of months beginning **FEBRUARY 10, 2025** (we will be open for classes). We will open April 1, 2025 (Tuesday) and be open Tuesday—Saturday until Memorial Day when we will launch our 7 day a week schedule. Our online store (nauticalyarn.com) will be open 24/7 every day and packages will be shipped daily.
- **Classes this Winter**  
We will have a sweater class this winter that meets both online via Zoom and in-person. The project is **It's Got A Bend in It!** by Kate Davies. This wrap-style cardigan is a top-down sweater that is knit, kind of like a shawl, with a garter-tab beginning. It uses two contrasting colors, but could be done in one color. I am using a strand of Fino by Manos del Uruguay in a bright mustard held at times with a matching strand of KidSilk Haze by Rowan and at other times held with a strand of Mohair Tweed by Trendsetter. The class will begin on Monday, January 13th at 5:30-7:00 PM. Subsequent dates are Mondays, February 10th and March 10th.  
Register at <https://nauticalyarn.com/classes/20250113-its-got-a-bend-in-it/> using your Nautical Yarn account and password. You will be able to download all course materials from the website.
